Ehud –

It seems as if 9/22 noon – 130pm works for us all. (This is Erev Yom Kippur, which starts probably at 5pm or 6pm.) Does it work for you by any chance?

Thanks.

Udi

Dear Ehud --

I hope you are well.

My understanding is that PointState has
renewed its consulting agreement with
you, which is now being rolled into its
second year.

As you may recall, the agreement calls for
periodic updates - "refreshers" - of the
compliance training component associated
with your consulting program. I am
reaching out to schedule the compliance
training. Our preference is to do it in
person, when you are in town. Do you
have any visibility regarding your next
visit in NYC and whether you will have a

short timeslot to devote to the
"refresher"?

Thank you.

Udi
